Private Messages (PM)

This is a great way to communicate with other members on the website. You can send a PM (Private Message) to another member asking them for a match, this is one way you can use to start playing for the ladder.

Matchup Lobby:

This is our meeting place where all console players will meet PS3 and XBOX 360. In this lobby you can instant challenge someone to a ladder ranked match or play friendlies and cup matches.

After you confirmed the challenge both players must meet in the Matchup Lobby at the time and date that both members agreed to the match.

You can challenge your opponents by going to the Members/Players List under each ladder tabs PC Ladder, PS3 Ladder, and XBOX 360 Ladder. Other ways to challenge a member is from their profile page, there is a challenge button.
